**NATIONAL SERVICE SCHEME MANUAL
(REVISED)**

**2006
Government of India
Ministry of Youth Affairs & Sports
New Delhi**

- (b) Instances have been noticed where some universities got the limits of financial expenditure enhanced from the State/University Advisory Committees. Similarly higher pay scales have been not approved for the Programme Coordinators. The Government of India does not agree to such decisions. It will be more convenient if such cases are referred to the Department of Youth Affairs and Sports, New Delhi, before such decisions are taken.

2. State Coordination Committee

It has been observed that in some states, NSS State Advisory Committee are unable to meet for a long time due to certain unforeseen circumstances and certain constraints. Thus the consultation process and the coordination between various departments received a setback. It is therefore, suggested that the coordination between various Government, Departments, Local bodies and other corporate bodies may be achieved through a Standing Committee under the Chairmanship of the Chief Secretary. This Committee may be known as State Coordination Committee.

About JRU

Jharkhand Rai University (JRU) has been established under “Jharkhand Rai University Act, 2011” by Jharkhand State Legislature as per section 2 (f) of UGC Act 1956. Our aim is to create a knowledge pool for the state of Jharkhand by serving the needs of diverse communities. JRU continuously strives to provide the highest quality of education to its students through dynamic research, rigorous training and efficient mentorship. JRU offers Diplomas, Undergraduate, Postgraduate Degrees, M.Tech. and Ph.D. in different disciplines.

JRU strives to provide transformative education that nurtures thinking individuals. We aspire to be a vibrant academic community with a focus on teaching and learning. Our faculty members are expert in their fields and professionals in their own right who bring creativity, ingenuity and resourcefulness into the classrooms. At JRU, we believe in fostering pioneering minds and nurturing intellectuality in individual. We endeavor to create the best possible learning environment for our students and are committed to the cause of making higher education accessible to all irrespective of caste, color or creed.

JRU strives to provide:

Transformative education that nurtures thinking individuals who are alive to opportunities to make a difference, are valued members and leaders of society, and global citizens effective in diverse settings.

High-impact research that advances the boundaries of knowledge and contributes to the betterment of society.

Dedicated service, as a university, that adds to social, economic and national development.

The five key components of JRU’s strategy are:

- Nurture, recruit and retain best quality people, the single most important determinant of the quality of education and research.
- Attract the best students, who are academically strong, and who have passion, commitment, leadership potential and come from diverse backgrounds.
- Provide a high quality educational experience that stretches students, is globally-oriented, and develops skills and values to enable them to reach their full potential.
- Focus on high impact research that advances knowledge and its application, and which is of high international quality and impact.
- Inject a spirit of enterprise into education and research, and develop impactful synergies in education, in research, and between education and research, within a dynamic “no-walls” environment.
