Status Report of Spoken Tutorial Software Training at Jharkhand Rai University, Jharkhand

Spoken Tutorial, IIT Bombay is happy to be associated as a Knowledge Partner to Jharkhand Rai University, to impart IT/ Software training of Open Source Software courses.

This program is powered by MHRD, Govt. Of India. It is due to the continued commitment and momentum from University more than 1700 students have been trained so far. University has ensured this program is effectively started in every department. Clearly we have made a start.

We can plan to ensure the trainings are conducted smoothly in all the departments under university in new semester (Jan May 2018) these are recommended action steps:

1. University to enroll first year students to program by february 2018.
2. Every Department with Computer Lab to organise 1 training sessions by March 2018 for final year students.
3. HoD's of each departments to nominate Faculty from their department to start training program.
4. Details of Nominated Faculty to be share with Jharkhand officer by university Mr.Subham Chakroborty 8210686199 subhamchak35@gmail.com .
5. Providing Spoken Tutorial reference/credits in the Syllabus where ever it has a proper match for. Exp: Programming Language C,Java et.c IIT Bombay and University authorities to work together on this.

We hope to continue our valuable partnership with you and look forward to your support and cooperation for our continued progress to empower our students and make them IT competent.

Thanks and Regards,
Swapnil More
