### **14. Advisory/Mentorship Program**

14.1 Jharkhand Rai University has a Mentorship Program for the guidance of the students where the Faculty members are assigned a particular Class/ Section for mentoring them.

14.2 Mentors appointed for students are required to assist and guide the students in planning of their academic programs. They serve as a counsellor and a trusted friend. Mentor(s) acts as a bridge between the student and the University. They monitor their academic as well as personal growth. In academic progress, the Mentor looks after their attendance in Theoretical and

Practical classes, discipline, preparation and submission of assignments in time, examination, class note(s) etc. For personal growth, a mentor empathizes with the student(s). They assess the causes of their personal problems, if any, and try to look in to their needs as and when required and wherever possible. The concerned Teacher Mentor gives students a platform to take some responsibility of themselves and their class mates and assign two students as **Class Representatives**(normally from both the sexes) and a few students as **Peer Mentors**.

14.3 Class Representatives take the responsibility of the class. They act as a bridge between students and the mentor. They are responsible for any academic and non-academic activities of all the students of their respective classes. They are responsible for maintaining discipline in the class. Class Representatives are also responsible for informing students about various notices, class timings, visit of Institutions/ Laboratories etc. They meet the Mentor on a daily basis, discuss about any issues related to the class and immediately resolve it or find a solution for the same. The Mentors keep a regular check/ vigil of the class on a daily / routine basis through the Class Representatives.

14.4 Peer Mentors take charge of a group of students and are responsible for helping other students of the class in studies, class notes and other academic problems. Students having a sound academic background are selected as peer mentors. This inculcates leadership and team building among the students.

14.5 Teacher Mentor (s) deals with problems related to social, psychological, emotional and academic issues and attempts to solve the problem to the extent possible. Students always feel free to discuss their problems and concerns with their mentor. The Teacher Mentor encourages the students to speak out and express their problems / grievances freely and frankly without any inhibition and fear.

## 15. Class Committee (s)

15.1 A class committee consists of Teachers of the B.Sc. (Honours) Agriculture, Class Representatives, Head of the Department and the Dean as Chairperson.

15.2 The constitution of Class Committee for the programs of each semester will be as follows:

- a. Teachers of the program
- b. Two students of class chosen as Class Representatives
- c. One Professor, preferably not associated with teaching of the class to be nominated by the Dean to act as the Chairman of the Class Committee.
- d. Faculty Mentor of the respective class.

15.3 The basic responsibilities of the Class Committee (s) are as follows:

- a. To periodically review the progress of the class
- b. To discuss problems concerning curriculum and syllabi and conduct of the classes
- c. Informing the student representatives about the academic schedule(s) including the date(s) of assessment and syllabus coverage for each assessment.

- d. The method of assessment in the course will be decided by the teacher in consultation with the class committee and will be announced to the students in the beginning of the semester
- e. Analyzing the performance of the students of the class devising ways and means of solving problems, if any
- f. Identifying the weak students, if any, and requesting the teacher concerned to provide additional help and guidance to such weak students
- g. The class committees shall meet at least twice in a semester, once at the beginning of the semester and once towards the end of the semester.

15.4 The Class Committee(s) will be constituted on the First working day of any semester or earlier.

## **16 Maximum duration of the program**

Each semester shall normally consist of 90 working days or 450 hours. A student is ordinarily expected to complete the B. Sc. (Hons.) Agriculture program in eight semesters However a student may complete the program at a slower pace by taking more time but in any case not more than fourteen semesters under regular B. Sc. (Hons.) Agriculture excluding semesters withdrawn on medical grounds etc.

### **16.1 Temporary withdrawal from the program**

A student may be permitted by the Director/Dean of the Faculty of Science & Engineering to withdraw from the program for a semester or longer for reasons of ill health or other valid reasons. Normally a student will be permitted to discontinue from the program only for a maximum continuous period of two semesters.

## **17 Attendance**

Attendance is the physical presence of the students in the class. It is a well observed fact that the students who score good grades are those who attend classes regularly. Therefore the students must attend all the classes without fail.

A B. Sc. (Hons.) Agriculture student will be deemed to have completed the course in any semester only if

- a. He / She secures not less than 75% of attendance in overall course in that semester on the total number of period offered in that course during that semester. Condonation of attendance up to 10% is permitted on medical grounds. Relaxation in attendance is permitted up to 10% for students who represent the University in sports, games, cultural, symposium and other similar

activities. The above two relaxations either individually or jointly should not exceed 10% but it is applicable for individual course.

b. His / her progress and conduct have been satisfactory throughout the semester.

c. Condonation should be applied for, through proper channel and should be approved by the Dean.

A candidate who is not permitted to appear for the University examinations due to lack of attendance requirements will have to re-register themselves in the same semester by paying the Semester Fees and do the courses when they are offered subsequently.

## **18 Discipline**

18.1 Every student is required to observe discipline and decorous behavior both inside and outside the campus and not to indulge in any activity that will tend to bring down the prestige of the university.

18.2 Any act of indiscipline of a student will be considered first by the HOD. If the issue demands more serious consideration the indiscipline will be reported to the Director/Dean who will refer it to Discipline and welfare committee of the university, constituted by the Vice Chancellor.

The committee will enquire into the charges and recommend suitable actions if the charges are substantiated. The Dean will take appropriate action based on the recommendation of the Committee.

18.3 Dean may suspend a student pending inquiry depending upon the prima facie evidence. If on completion of inquiry the student is declared innocent, he /she shall be given attendance during the period of suspension

18.4 Appeal: The student may appeal to the Vice Chancellor whose decision will be final and binding.
