**Instructions:**

- Students to take their examination through Google classroom platform.
- Examinees to co-ordinate with their respective department well before the examination.
- Write your answers on A4-sized plain sheet, leaving margins on the left side of each page. Keep top and bottom margins as well.
- It is mandatory to provide page number on each page of your answer script.
- Examinees to mention their enrollment number and name on all pages of the answer script.
- Upload the PDF copy of your answer script to the Google Classroom in time.
- Keep the hard copy of your answer script intact as it may be required later.
