
The Cultural Club of Jharkhand Rai University works towards keeping the University vibrating with fun and gaiety around the year. It involves every student, irrespective of the Branch they belong to.

One of the primary aims of the Cultural Club is to help students keep in touch with the rich cultural values, customs and traditions of our country. The Cultural Club aims at refining intellect, interest, tastes and skills of the students. It exposes them to a wide range of cultural events throughout the year. Apart from participating in a multitude of events, the students also get a firsthand experience of organizing and managing activities.. Creativity and an aesthetic sense is developed within these activities.

Our motive is to lift the spirits of the students and encourage them to show case their talent and potential to the world by providing them a platform to be dancers, musicians, actors, painters, writers, poets and artists. We develop and promote cultural teams that can take part in various competitions and encourage social development.
