

“Webinar report on celebration of One year of Transformative reforms under National Education Policy on 29.07.2021”

The Government of India has conducted webinar on celebration of One Year of Transformative reforms under National Education Policy, 2020. The speaker was honourable prime minister of India Shri Narendra Modi Ji. The event was telecasted in online mode via government podcast. The honourable prime minister had projected the major transformation which was occurred due to NEP 2020 implementation in Indian Education policy. Many international educationist had welcomed the thought and vision of prime minister on education.

Due to this NEP 2020 policy a new dimension of innovation had been observed such as

1. A Multidisciplinary Way of Thinking.
2. Promoting Holistic Development.
3. A Polished Perspective on Examinations.
4. Promoting Technological Literacy.

The Event was coordinated by Prof. Raghuwansh Singh, NSS Cell Jharkhand Rai University, Ranchi.
