Department of Computer Science & Information Technology

Event Name: Industrial Visit

Event Date: 14.05.2022

Location of the Event: MIMEC TECH PARK, Namkum, Ranchi

Convener of the Event: Prof. Anuradha Sharma & Prof. Kumar Amrendra

Event Type: Industrial Visit

Sponsors (If any): NA

Objective of the Event:

1. To provide the students an opportunity to understand the working process of an IT industry.
2. To make the students aware of the ongoing requirements of the IT industry.

Target Audience: BCA, MCA, B.Tech CSE

No. of Participants: 50

Event Description: The Department of Computer Science & Information Technology organized its first industrial visit in collaboration with BrightCode Software Service Pvt. Ltd. and CodeZeal Technology Pvt. Ltd. on 14.05.2022 at Mimec Tech Park, Namkum, Ranchi. BrightCode is the fastest growing IT based service company in Ranchi and CodeZeal is their subsidiary company which provides training to forthcoming IT professionals.

The trip started at 9:30 from JRU, Kamre campus from where the college bus carried all the students to Tech Park. Once the students arrived at the destination, they were divided into two groups. Each group then visited the office area of BrightCode where they saw the employees perform their tasks. Then they were briefed by Mr. Dhanesh Mahto, CEO, BrightCode and Mr. Abhijeet Kumar about the ongoing requirements in IT industry and the need for professionalism. Mr. Mahto explained to the students the need of being proactive for selection of the programming language(s). Mr. Abhijeet then took the students to visit the infrastructure of the company – Development area and the HR Department. The students had lunch after the visit and arrived back at JRU campus by 3:30.

Outcome of the Event: The students got an opportunity to get hands on knowledge about the way IT industry functions. They also understood the fact that in a dynamic industry such as IT, they will have to update their knowledge on a day-to-day basis to sustain and grow.

Objective of the Event:

1. To guide the students for preparation in specific domain of IT industry.
2. To make the students understand the requirement of professionalism in IT Sector.

Guest Speaker: Mr. Dhanesh Mahto, CEO - Brightcode Software PVT. LTD.

Target Audience: BCA, MCA, B.Tech CSE

No. of Participants: 72

Event Description: The Department of Computer Science & Information Technology organized an expert talk on “Growing IT Industry and need of professionalism” on 05.05.2022 in seminar hall. The event commenced with the welcome speech by Asst. Prof. Mr. Rajan Kumar Tiwari. In his speech, Mr. Tiwari underlined the growing demand of IT professionals by IT companies which are involved in implementing the various projects of the flagship scheme “**Digital India**”. On this occasion, the resource person Mr. Dhanesh Mahto tried to make the student audience understand the requirements and become proactive in selecting programming language(s) suitable for the industry. He advised the students to master the skills of the language opted. Mr. Mahto offered to extend support to the students by providing them exposure and hands on experience through industry visit and training.

Outcome of the Event: The students learnt about the ongoing qualification requirements in the IT industry and understood the need for the early selection of programming language(s) so that when they enter the IT industry as employee, they can easily adapt to the work environment with the professionalism they can acquire with the help of industrial visits and appropriate training.
