Date:27-28 May 2023

Department/ Committee: Management

Event Name: International Conference on “Emerging Research Paradigm for Sustainable Development”

Event Date: 27-28 May 2023

Location of the Event: Hybrid Mode

Convener of the Event: Dr. Shradha Prasad

Dr. Harmeet Kaur

Event Type: Departmental/ Inter Department/ Inter University

Sponsors (If any) Inter department (University)

Objective of the Event: The objectives of the Conference were

- To create a space where academics and professionals from business and industry can discuss sustainability from a holistic perspective where issues with the environment, culture, economy, and society all interact.
- To consider a development strategy that would reduce the risks of ecological imbalance and environmental degradation.
- To talk about the new sustainable development paradigm in the age of globalization.
- In order to ensure that innovation and technological development do not lag behind nations, communities, or individuals and that they instead contribute to inclusive progress, it is important to study the transformational potential of emerging technologies.

Guest Speakers:Prof (Dr) Ramesh Sharan Sir, Former Vice Chancellor, Vinoba Bhave University & Prof (Dr) Ajit Kr Sinha Sir, Vice Chancellor, Ranchi University

Target Audience: Inter-disciplinary students and Faculties

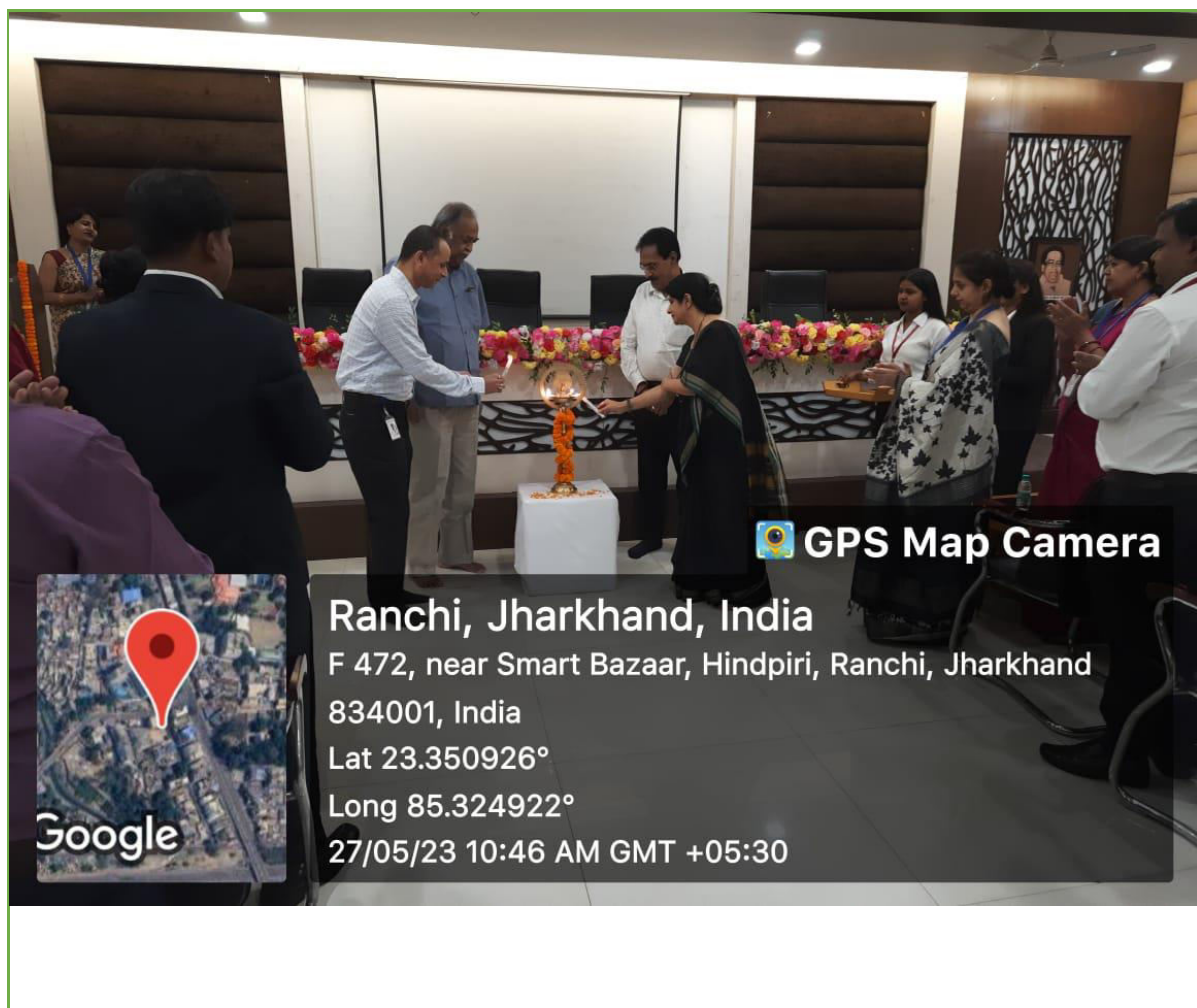

No. of Participants: 90

Event Description: The two day International Conference was comprised of five technical sessions conducted on hybrid mode. Advisory Committee members & eminent speakers from different countries like India, United States, Netherland, Saudi Arabia, Malaysia & Japan were a part of this Conference & shared their knowledge & valuable thoughts. We have received more than 100 Research papers from authors from different countries, out of which 79 Research Papers were selected for presentation.

Outcome of the Event: The two days international Conference had a wide range of keynote speeches, Invited Talks, and discussions. It has presented the importance, challenges & the action plans to achieve the goal of Sustainable Development. Moreover, all the Research papers were well presented and added value to our existing knowledge on Sustainable development.

We hope the past two days have been fruitful and that you will be able to make the most from the sessions you attended.

EVENT REPORT

Department/ Committee: Department of Pharmaceutical Sciences.

Event Name: “Interactive Session with Group-D staffs of JRU (ADR Awareness)”

Event Date: 17.10.2023

Location of the Event: Jharkhand Rai University, Namkum, Ranchi.

Convener of the Event: Miss Rashmi Kumari and Mr. Ranit Kanjilal.

Event Type: Departmental.

Sponsors (If any): Jharkhand Rai University

Objectives of the Event:

1. To ensure that participants understand what ADRs are, their types and the importance of recognizing and reporting them.
2. To provide clear instructions on how to report ADRs, ensuring that staff are aware of the necessary forms, channels and timelines.
3. To provide an opportunity for staff to ask questions and seek clarification on any aspects related to ADRs.

Target Audience: Group-D staffs of JRU

No. of Participants: 45

Event Description:

The Indian Pharmaceutical Association has been celebrating the National Pharmacy Week every year. The major focus of NPW celebrations is to create awareness amongst the public. Department of Pharmaceutical Sciences Organized “National Pharmacy Week celebrations 2023” from 16th October to 21st October 2023 at Jharkhand Rai University, Ranchi. To celebrate Day 2 of National Pharmacy Week celebration 2023 starts with various events like Signage making competition, Interactive Session with Group-D staffs of JRU (ADR Awareness) organized in the Rai University’s campus. Interactive session with Group-D staffs of JRU was aims to enhance awareness and understanding of Adverse Drug Reactions, emphasizing their importance in healthcare settings. They got the opportunity to actively engage in discussions, share experiences and learn practical tips for recognizing and reporting ADRs and promoting a culture of safety.

Outcome of the Event:

- The interactive session with Group-D staff aimed at Adverse Drug Reaction awareness likely resulted in increased understanding and awareness among Group-D members of JRU, Fostering a safer, more vigilant healthcare environment and potentially reducing the occurrence of drug related issues.

Activity Report

Institution's Innovation Council, Jharkhand Rai University, Ranchi

Event Name: Session on Accelerators/Incubation - Opportunities for Students & Faculties - Early-Stage Entrepreneurs

Event Date: 16.06.2023

Location of the Event: Online and Offline

Conveners of the Event: Kumar Amrendra, Convener, Institution's Innovation Council, Jharkhand Rai University, Ranchi

Event Type: IIC Calendar Activity

Sponsors (If any): NA

Objective of the Event:

To provide valuable information and guidance to students, faculty members, and early-stage entrepreneurs regarding the benefits, opportunities, and processes associated with accelerators and incubators in the context of entrepreneurship.

Guest Speakers: Mr. Abhishek Chourasiya, VinZeeDoo: Shape your career

Target Audience: Students and Entrepreneurs

No. of Participants: 120

Event Description:

On the 16th of June 2023, Jharkhand Rai University organized an enlightening session titled "Accelerators/Incubation - Opportunities for Students & Faculties - Early-Stage Entrepreneurs."

The session was conducted by Mr. Abhishek Chourasiya, Founder of VinZeeDoo, a startup dedicated to shaping careers and fostering entrepreneurship. This event aimed to inform students, faculty members, and aspiring entrepreneurs about the benefits and opportunities offered by accelerators and incubators in the early stages of their entrepreneurial journeys.

Mr. Abhishek Chourasiya began the session with an enthusiastic welcome, emphasizing the importance of entrepreneurial opportunities and the role of accelerators and incubators in nurturing startups. The session provided a comprehensive understanding of what accelerators and incubators are, how they function, and the key differences between the two. Attendees gained clarity on the purpose and benefits of these programs. Mr. Chourasiya highlighted the various advantages of

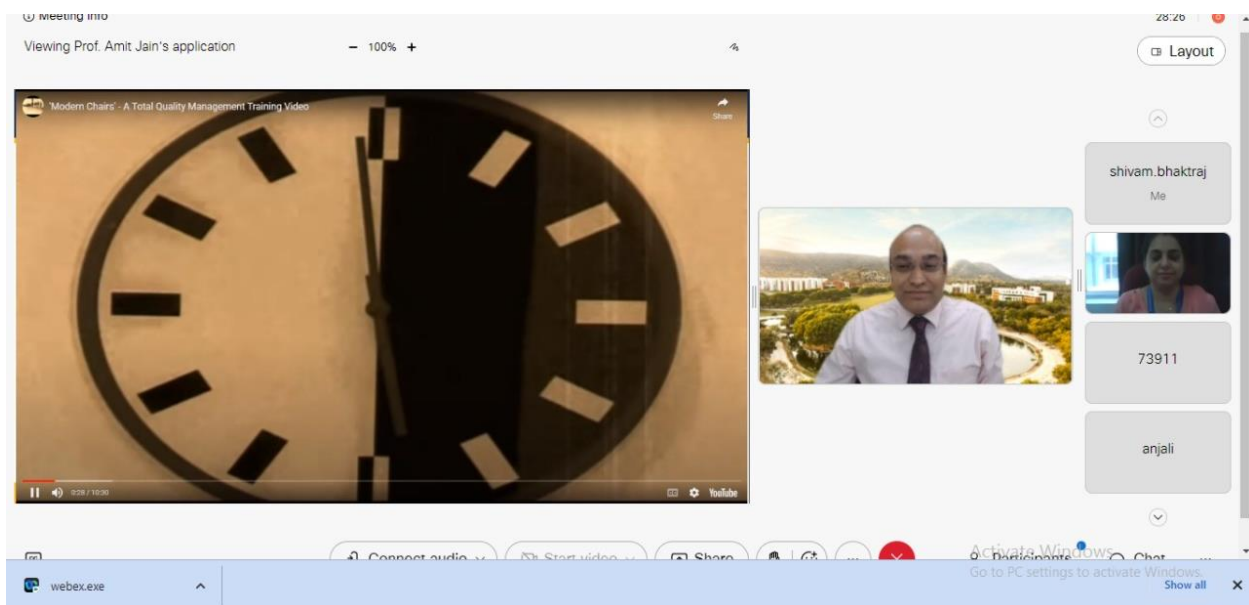

participating in accelerators and incubators, including access to mentorship, funding, networking, resources, and a structured approach to business development. The session encouraged active involvement of students and faculty members in entrepreneurial activities. It emphasized how universities can facilitate participation in accelerator and incubator programs and the role educators can play in mentoring and guiding students.

The session concluded with Mr. Chourasiya expressing gratitude to the audience for their active participation. He encouraged attendees to explore accelerator and incubator opportunities to shape their entrepreneurial journeys.

Outcome of the Event:

It provided attendees with valuable insights into the world of accelerators and incubators, encouraging students, faculty members, and early-stage entrepreneurs to leverage these programs to kickstart their entrepreneurial ventures.
