

Gender Sensitization Action Plan

Gender sensitization initiatives are essential for creating a more inclusive and equitable university environment. Here are some measures planned by the university to create and propagate a safe, secure and healthy environment to achieve gender:

- Organizing workshops/Campaigns for students, faculty, staff, and in the adopted villages to raise awareness about gender issues, promote empathy, and foster understanding of diverse gender identities and expressions.
- Promoting activities pertaining to Health, Cleanliness, Personal Hygiene, and Nutrition.
- To raise legal awareness among females regarding various issues concerning women rights and career choices
- Provide Guidance regarding the financial investments avenues for the students and staff.
- Development of Creche/ Day care facility for Faculties, Students & Research scholars
- Providing specialized support services such as counselling, mentorship programs, and support groups for students and staff who have experienced gender-based discrimination or harassment
- To conduct Activities for students regarding Entrepreneurship Development and Career Enhancement
- To prepare and deploy Student's code of conduct that promotes gender equality at the Governance level.
