Event Description

The world environment day is celebrated every year on 5th June to raise global awareness to take positive environmental action to protect nature and the planet earth. It is a day that reminds everyone on the planet to get involved in environment friendly activities. People come together to pledge towards building a greener planet. Keeping this aim in view, NSS Cell & IIC of Jharkhand Rai University, Ranchi celebrated World Environment Day on 5th of June 2023. The theme for World Environment Day 2023 was “**Solution to Plastic Pollution**”.

The faculty members planted the plants and take a pledge to save the environment and protect the surroundings by aware more and more people.

Outcome of the Event:

Students and faculty members were motivated to adopt environmentally conscious lifestyle.
