Response:

Student representatives are introduced in all administrative bodies/ committees/cell functioning in the University like: Internal Quality Assurance Cell (IQAC), Institution Innovation Council (IIC), Anti Ragging Cell, Women Cell, Anti Sexual Harassment Cell, Anti Ragging Squad, Canteen Committee and various Clubs like Cultural Club, Sports Club, Science Club, Fine Arts Club, Management Club etc. Each Committee/Cell have a strong student committee which work in coordination with the respective club conveners.

Students play an active role in the overall development of the University. They give feedback for all the courses taught to them in the semester. The general assessment is done in different parameters on a scale of 1 to 5. The feedback of each courses is compiled and tabulated against the group average and the same is shared with the concerned faculty members. Also we take feedback on Overall Student Satisfaction Survey in which the passing out students participate and give feedback about overall academic and other facilities offered to them. All the feedbacks collected, analysed and put forward in the meetings of Internal Quality Assurance Cell (IQAC) for further quality enrichment.

Some of the other cells/committees in which the student's active participation are as follows:

Jharkhand Rai University NSS Cell a unit of National Service Scheme, under the Ministry of Youth Affairs Sports, Government of India. NSS is a Voluntary organization of students who can work for the cause of the society and spread the spirit of nationalism, national integrity, and communal harmony humanity among the people of the society. The aim of the NSS cell is to provide hands on experience to young students in delivering Community service.

Institution Innovation Council (IIC) to encourage, inspire and nurture young students by exposing them to new ideas and processes resulting in innovative activities in their formative years.

Women Cell University has a structure procedure and mechanism for redressal of the grievances of female student or women employee academic /non-academic. Any aggrieved female student or women employee

academic /non-academic who has the grievance or grievances can make a complaint in writing or personally approach to any member of the cell or e-mail to womencell@jru.edu.in

The committee will give complete assurance to an aggrieved person that these details will be kept strictly confidential. The committee also ensures to take action and the final decision is to be communicated to the student.

Alumni Club

One of the main purposes of JRU alumni association is to support a network of former graduates/masters who will, in turn, help to raise the profile of our university. The association also provides opportunities for interaction between past & present graduates and faculty of the University. The alumni of our university have found and will keep on finding positions in institutions of National & International repute and the association being a platform for mutual awareness among all. JRUAA has created a webpage to keep the record of all alumni <https://jru.edu.in/alumni/>

IT Club at Jharkhand Rai University, Ranchi was established with an aim to bridge the gap between industry and academia. The club stands to provide its students an opportunity to share and extend their ideas and hence interact with the industry to expand their horizons in the field of IT and its fast-changing technology.

The club was formed as a group of students and teachers, and its purpose is to gather people committed to technology. The club also organizes various interaction classes within the group and among interested students along with industry visits and interactions with professionals from the IT industry. The club stands to deliver a quality student-centred support hub that encourages IT students to improve academically and participate in both different activities of University and external activities. The IT club targets to provide an environment for students to share and extend their knowledge and hence improve their overall skills both technical and cognitive.
